District 4-C4 Region Two, Zone One

Daly City Host Lions Club

Chartered February 26, 1941

President's Message

Lion President Greg Love

Fellow Lions,

Our first membership meeting in August will be at the Doelger Senior Center; however, the second membership meeting will be held on August 17th in the training room at Daly City Hall. This meeting will include a special presentation on elder abuse.

Lion Treasurer John Warren has invited Inspector Andrea Higgins from the San Mateo County District Attorney's Office Elder Abuse Unit and Nicole Fernandez from the Elder & Dependent Adult Protection Team to speak to our members. Their discussion will include financial abuse prevention, recognizing scams, personal safety for seniors, and a Power Point presentation.

According to the National Incidence Study on Elder Abuse, approximately 450,000 elderly experienced abuse in 1996 nationwide. If self-neglect is included, the number is 551,000.

The personal losses associated with abuse can be devastating and include the loss of independence, homes, life savings, health, dignity, and security. Victims of abuse have been shown to have shorter expectancies than non-abused older people as well. Please plan on joining us at this meeting.

Tuesday, August 2nd at Serramonte Center from 5 to 8 we will be doing Eye Screening and a membership drive at Daly City Police Department's National Night Out. Volunteers are needed to help so please contact Lion Secretary Denise Kelly.

Mark your calendars! Pasta Bingo returns on Friday, September 16th at Café Doelger in Westlake Park.

Happy Birthday to Lion Brian Dossey and Lion Joe Giusto. We wish you many more!!!

NEW LIONS KEEP OUR CLUB STRONG!

Meet your Fellow Lions!

Each month we will be featuring Daly City Host Lions club members in a column titled "Meet you Fellow Lions." This month we are featuring Lion Stephanie Ragler!

I grew up in the Bayview Hunter's Point area in San Francisco. I was considered a busy child because I hung out with at least 12-15 girls. I remember someone calling us a gang. All that changed for me when I joined the Omega Boys Club in San Francisco. The program was geared towards kids who committed violence. The focus of the club was to keep us alive and free. From there the Omega Boys Club sent me to college on a scholarship where I studied Business. I had my first son my senior year in college. But I did not let that stop me, I preserved and finished with a B.A. in Business Administration with a minor in Accounting. I had a relative who worked in the waste management industry who told me they were hiring so I applied and got the job. This lead to me serving in the waste industry for over 16years. Eleven of those years have been with Republic Services as a recycle coordinator. During my time with Republic Services I have developed and implemented a wide range of successful recycle programs for the City of Daly City and the Town of Colma. My public education skills have proved invaluable in the development of diverse methods for communication with all customers.

My husband and I both work for the same company. We have 3 boys Stephren, Stefan, and Stefron. My husbands name is Stephano. Just call us the Steph Family.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

August Laughs

Will Reading

A lawyer meets with the family of a recently deceased millionaire for the reading of the will.

“To my loving wife, Rose, who always stood by me, I leave the house and \$2 million,” the attorney reads.

“To my darling daughter, Jessica, who looked after me in sickness and kept the business going, I leave the yacht, the business and \$1 million.”

“And finally,” the lawyer concludes, “to my cousin Dan, who hated me, argued with me and thought I would never mention him in my will. Well, you were wrong. Hi Dan!”

Disorderly Conduct

Three men appear in court, on charges of drunk and disorderly conduct in a public park. The judge asks the first defendant, “What were you doing?”

“Oh, just throwing peanuts in the pond.”

The judge asks the second gentleman, “And what were you doing?”

“I was throwing peanuts in the pond, too.”

“Sounds harmless,” says the judge. He turns to the third person, “And you, were you throwing peanuts in the pond as well?”

“No, sir. I AM Peanuts!”

Double Duty

In one small rural town the sheriff also fulfilled the role of the town’s veterinarian. One night the phone rang, and his wife answered.

An agitated voice inquired, “Is your husband there?”

“He is, but tell me, do you need him as the sheriff or the vet?” the wife asked.

“Both!” was the reply. “We can’t get our dog’s mouth open, and there’s a burglar’s leg in it!”

Angelic Assistance

An old-time pastor was riding furiously down the road, hurrying to get to church on time.

Suddenly, his horse stumbled and threw him to the ground. Lying in the dirt, his body wracked with pain, the pastor called out, “All you angels in heaven, help me get up on my horse!”

With extraordinary strength, he leaped onto the horse’s back—and fell off the other side.

From the ground again, he called out, “All right, just half of you angels this time!”
